MORGENTHALER ANNOUNCES ACQUISITION OF MARK ANDY, INC.

Newest Morgenthaler Platform Company is the Dominant Market Leader of Flexographic Printing Presses in North America

Cleveland, Ohio –September 20, 2006 --Morgenthaler Partners (www.morgenthaler.com) announced today that it has acquired Mark Andy, Inc. from Dover Corporation (NYSE: DOV). Based in St. Louis, Missouri, Mark Andy manufactures flexographic printing presses used in consumer packing applications – including labels, flexible packaging and folding cartons. Its customers include leading consumer product manufacturers in the US, Europe, Russia, and Asia.

The acquisition, finalized on September 15, 2006, will help position the company to build on its dominant market share in North America and grow its business in international markets.

Executive Management

Paul Brauss, Mark Andy's chief executive officer, will continue to lead the company out of St. Louis, Missouri. Other members of the long-standing management team will also remain: Mike Howard, VP of finance & CFO; John Howard, VP of engineering; Bill Thompson, VP of manufacturing; Greg Palm, VP of sales and marketing; and Adam Baer, VP of customer service. Morgenthaler general partners, John Lutsi and Daniel Farrar, will join the Mark Andy board of directors.

"Mark Andy differentiates itself with a strong engineering organization that is focused on helping its customers meet demanding and ever-changing printing and packaging needs," said John Lutsi, general partner at Morgenthaler. "Its reputation for technical excellence and superior customer service came through loud and clear during our due diligence," Lutsi said.

"As the market leader, the company has excellent opportunities to consolidate its supply chain through acquisitions of ancillary equipment suppliers," continued Lutsi. "This would strengthen Mark Andy's already strong position as a full-solutions provider. Other potential acquisitions may

include companies that can help expand its reach into key international markets.”

“Importantly, we also believe in the management’s ability to execute. They have shown time and again the ability to grow their business in both strong and weak markets,” added Lutsi.

“We are excited about our new partnership with Morgenthaler,” said Paul Brauss, CEO of Mark Andy. “Our customers can count on a seamless transition and a continued focus on R&D and customer service. In addition, Morgenthaler brings added financial resources and operational expertise to help us reach our growth objectives.”

Transaction Details

Transaction financing was led by Madison Capital Funding, LLC and included Hancock Capital Management. Baker & Hostetler acted as the legal counsel for Morgenthaler. Dover was represented by Wilson Hart and Lincoln International served as the financial advisor. Terms of the transaction were not disclosed.
